Dear Sir:

National Coin Week was officially observed in Cambridge and Salisbury, Maryland during the period April 21 - 27 in an appropriate manner by the use of exhibits, news releases and radio.

The Salisbury Coin Club appointed Kenneth Short to head up a program that would give us the most publicity and he started by having the Mayor of Salisbury proclaim the week of April 21 - 27, National Coin Week.

An article was written as a news release to Radio Station WCEM in Cambridge and WBOC of Salisbury. Attached is a copy of the news release and a copy of a news item after the Saturday display.

The main attempt to publicize the event was the displays which were set up in the Salisbury Mall. This event was an all-day affair with displays set up by the following: Paper Money - Robert Owens, Foreign Coins - Kenneth Short, Paper Money - Moses D. Moore, U.S. Coins - Wayne Brumbly, U.S. Coins - Howard Thomas. The enclosed picture shows the group in the order that I have listed them.

If certificates are to be awarded as last year, I would like for them to be sent to the address below and in the names of:

Robert Owens - Kenneth Short - Moses D. Moore - Wayne Brumbly -
Howard Thomas - Lincoln Coin and Supply

Very truly yours,

Moses D. Moore
